

AUGUST 23, 2023

8th Annual South Carolina Population Health Summit

Sponsorship Opportunities

WHAT IS THE POPULATION HEALTH SUMMIT?

This half-day summit aims to convene community leaders and organizations to foster community health improvement through a collaborative learning experience. The summit will feature a diverse array of speakers who will provide promising practices and resources to impact community efforts on a state and local level.

WHY SUPPORT THE POPULATION HEALTH SUMMIT?

This event provides a unique experience. Over 200 state and community leaders from across the South Carolina are brought together for participants to engage with in an intimate, online setting.

Sponsors will gain high-value exposure and prominent recognition for their brands with one of our sponsorship packages.
