

THANKS TO THE AFFORDABLE CARE ACT:

Insured adults get
free check-ups
and preventive
screenings

Special enrollment
period with big life
changes

8 in **10** receive
financial assistance
with premiums

Young adults can
stay on their
parents' plan
until their

26th
birthday

Insurance companies can no longer:

Discriminate
against people
with pre-existing
conditions

Limit the amount
they pay out
annually or over
a lifetime

Raise their prices
based on health
status or gender
