

South Carolina State Health Improvement Plan 2018-2023

Live Healthy South Carolina is a statewide collaborative led by the Alliance for a Healthier South Carolina to systematically assess and advance the health of all South Carolinians.

Resilient Children

Build resilience in South Carolina's children through safe and supportive environments.

Chronic Health Conditions

Partners take action to promote healthy lifestyles and environments that prevent chronic conditions.

Behavioral Health

Create a sustainable system of behavioral health care.

Health Care Transformation

Address factors outside of health care that affect health and look through a consumer viewpoint to link primary care, behavioral health, oral health and supports/resources.

Factors that Affect Health

Create safe, livable environments that improve the conditions in which people live, work, pray and play.
